DRAMAHAWKS want you!**

Are you a current sixth grade student who will be attending Hayfield Secondary next year? Consider taking a Theatre course as one of your electives! We have something to fit your interests and talents!

Theatre Arts

Appreciation-half year:

Discover the basics of acting: facial expression, use of the voice, improv comedy, stage makeup, and more while learning to work cooperatively with others in this fun beginning acting class!

Theatre Arts

Appreciation-full year:

Covering all the basics of the semester class, but more in depth. This class adds in additional units such as puppetry, stage combat, and radio theatre. There is also usually an optional field trip to New York to see Broadway shows.

Technical Theatre

Appreciation-half year:

If you are more technically or artistically inclined—try out this class! Includes scene design, props, makeup, sound, lighting, costuming, and other technical aspects of productions.
